

Clark Associates, Inc. Announces Promotions

(Lancaster, PA) –Clark Associates, Inc. is pleased to announce the following promotions:

Aaron Weber, Director of Heavy Equipment. In this role, Weber will focus on new product development, product line strategies, marketing, and supply chain management within the Procurement Department. He holds a Bachelor's Degree in Accounting from Elizabethtown College. Prior to this position, Weber worked in the Accounting Department and also served as a Heavy Equipment Buyer.

Nathan Shertzer, Director of Consumables. Shertzer holds a Bachelor's Degree in Business Administration with a finance concentration from Messiah College. As Director of Consumables, he will oversee the procurement of all consumable products, develop new product lines, train and coach staff, and develop marketing strategies. He worked as an intern for Clark Associates during college, and started as a Consumables Buyer after graduating.

Daniel Krieger, Director of Foodservice Disposables. Krieger will be responsible for managing the disposable foodservice products category of the Procurement Department. He will focus on branding and product line strategy, marketing, supply chain management, and employee development. Krieger previously served as Disposables Buyer. He holds a Bachelor's Degree in English Literature and Philosophy, and a Master's Degree in English Literature from Millersville University.

Quentin Kruger, Director of Operations. In this role, Kruger will oversee Clark Food Service Equipment's purchasing and warehouse staff, ensuring that the right equipment is ordered and delivered on-time to each of the division's jobsites. He holds a Bachelor's Degree in Industrial Technology with a Construction focus from Millersville University. Prior to this position, Kruger served as an Assistant Project Manager for Clark Associates' 11400 division, and then Logistics Coordinator for Clark Food Service Equipment.

Jamie Rottmund, Vice President, Clark Food Service Equipment. Rottmund will oversee the operations side of Clark Food Service Equipment, working with the Development and Design departments. He also will work closely with the division's Project Managers to ensure that each project successfully meets the customers' needs and expectations. Rottmund holds a Bachelor's Degree in Computer Aided Product Design from Penn College of Technology. After graduating, he worked at Solar Innovations as a drafter/designer, and then moved into project management. He later worked at Handrail Design, Inc. as a Project Manager. Rottmund has served at Clark Associates as an Assistant Project Manager, Project Manager, and later Director of Project Management prior to his new role.
