Career Services- Employer Spotlight

Glenn Clark - Vice President - Clark Services & Parts

YTI is very proud to add Glenn Clark to our prestigious list of Beacons Award Recipients!

Once a year, employees, students, graduates, and employers of YTI Career Institute are nominated as candidates who best exemplify our values. Our values include; Respect for the Individual; Integrity; Our Customers; Teamwork and Excellence.

Glenn has interviewed and hired as many as 32 graduates of YTI, giving all of them an opportunity to begin their careers upon graduation from their respective programs. (Respect for the Individual)

He always communicated with the students/graduates in a straightforward manner, giving them truthful feedback. (Integrity)

Glenn is, and has been for many years, a member of our Heating, Air Conditioning & Refrigeration Technology Advisory Board where he has assisted with reviewing our curriculum and affirming our program relevance. (Teamwork)

He has provided numerous opportunities to our students for ride-a-longs which is imperative to their success (Our Customers)

Glenn also exhibits the highest level of professionalism to YTI staff, students and graduates. (Excellence)

YTI Career Institute

OUR MISSION:

YTI is helping committed students attain rewarding careers through industry-modeled, student-centered training and support of the highest caliber.
